

## Y7 into 8 Remote Learning Plan Summer Term 2020

### Maths

By the beginning of September, we will have studied two topics this half term using the website [Mathswatch.co.uk/vle](https://www.mathswatch.co.uk/vle)

	Notes
<b>Formulae, coordinates and sequences.</b>	
These will be taught using <i>mathswatch</i> interactive questions and linked videos. A3, A1a, A1b, A11a, A11b, A11c and teacher linked resources.	<b>login</b> InitialSurname@bideford <b>password</b> square
<b>Perimeter, area and Volume.</b>	
Taught using <i>mathswatch</i> interactive questions with clip links to G8a, G8b, G9, G20b, G20c, G20d, G21a and G24.	
Once these are covered, teachers will set revision activities linked to previous topics studied together this year. A full list of these topics with links to <i>mathswatch</i> will be attached to the website.
