

Bideford College

Part of the Launceston College Multi Academy Trust

Monday, 07 February 2022

Dear Parent/Carer,

Year 7 Enrichment Week 21- 25 March 2022

Please find below the details of this year's Enrichment Week. The week is designed to allow students to enhance and apply the knowledge and skills they are learning in class to a variety of different scenarios outside of the normal lesson, classroom and college environment. Often, they will be supported by specialists from the community and further afield to help enrich students learning.

The Expressive Arts faculty are delighted to be able to offer year 7 students the opportunity to experience a variety of fantastic creative and sporting activities not usually available during the normal college week.

During this time students will be taking part in a range of enrichment activities such as;

Art: Students will have the opportunity to work with the Artist, James Lake, who constructs large scale sculptures from card. James will support the students to create new sculptures which we hope to display in the Winter Garden at Bideford College.

Music: Students will be going beyond the usual music curriculum and exploring music from other cultures and music technology. They will take part in two workshops; Students will learn how to use music technology to record their own music in our music technology studio and compose their own music with the Wren Music Company.

Drama: Students will have the opportunity to observe and critique a performance, before participating in a workshop where they will work on a live production.

Sports Activities: This will be a fun filled competitive experience for all students. A range of sporting activities will be included which students do not currently experience in their curriculum lessons.

Air Extreme: This experience which will allow all students to participate in a 90min structured bounce session. Students will rotate around a carousel of activities while receiving constructive feedback from the specialist qualified coaches.

To cover the cost of transport and specialist staff the cost of the weeks activities is **£25**. Payment should be made online via parent pay by **Wednesday 2 March 2022**. If you are unable to do this please contact the Finance Office for assistance.

Please note that retention of this trip place for your child is dependent on good behaviour and payments are non-refundable.

If you have any questions or queries please do not hesitate to contact me at the college.
