Dear Parent/Carer,

**Year 9 Enrichment Week 21- 25 March 2022**

Please find below the details of this year's Enrichment Week. The week is designed to allow students to enhance and apply the knowledge and skills they are learning in class to a variety of different scenarios outside of the normal lesson, classroom and college environment. Often, they will be supported by specialists from the community and further afield to help enrich students learning.

As part of the college's Enrichment Week, the Humanities and Modern Foreign Language faculties will be running a '*Local Environment – Global Significance* project'. **All** students will have the opportunity to explore and investigate local areas of Global significance as well as developing their understanding and knowledge of international cultures.

This will include such activities as; environmental sustainability in Bideford, WW2 heritage and archaeology on Northam Burrows, Geography of Northam Burrows and the surrounding area and a modern foreign language project onsite here at Bideford College. The week will conclude with an opportunity for students to present the knowledge and understanding gained throughout the week in a formal, academic setting to members of the Bideford community and college staff.

We have taken the decision however to postpone the trip to London to the summer term in the hope that there will be reduced restrictions that will allow us to access more exhibitions and facilities and to make the most of the warmer weather.

To cover the cost of transport and specialist staff, the cost of the weeks activities is **£25**. Payment should be made online via parent pay by **Wednesday 2 March 2022**. If you are unable to do this please contact the Finance Office for assistance.

Please note that retention of this trip place for your child is dependent on good behaviour and payments are non-refundable.

If you have any questions or queries please do not hesitate to contact me at the college.

Yours faithfully,

Mrs S Bourke  
Head of Humanities

Mrs E Powell  
Modern Foreign Languages
